

55' Cruiser - *Kincardine*

This fully restored 55ft Thornycraft design timber cruiser was built in Scotland in 1936 for a mine sweeping operations. The hull, which is still original, was constructed using the best Balinese teak and even the original compass is still in place – although no-longer used.

The vessel offers a beautiful large foredeck and a quaint aft entertainment deck. It is fully equipped, with galley facilities, 2 modern toilets, PA & stereo system and comfortable seating for up to 20 guests and with large windows in the saloon offering an uninterrupted views of the passing scenery in all types of weather, hail or shine
